GREAT THINGS ARE HAPPENING:

I am honored and delighted to serve as board chair in such exciting times.

With many thanks to a partnership with MORPC and COTA, Capital Crossroads SID will soon offer Downtown employees unlimited access to citywide bus service. The Downtown C-pass has already received international attention. In addition, we are proud to be associated with Smart Columbus.

The clean and safe program remains the mainstay of all Capital Crossroads’ initiatives, and 2017 was no different. The SID has also received international kudos for its collaborative nature, which is no surprise given the hard work of all the SID staff.

Even though the Rhodes State Office Tower is undergoing renovation, I hope you’ve continued stroll through Pearl Alley to get a bite to eat and noticed the great public art thanks to grant funding from Greater Columbus Arts Council, Ohio Arts Council, The Columbus Foundation and Puffin Foundation West. During renovations, Pearl Market will set up at the Statehouse, and I can’t wait to check it out.

Finally, all this news and much more can be found in our redesigned e-newsletter and website, DowntownColumbus.com.

Here’s to a great 2018.

Cordially,

Susan Ungar
